

AFFEX[®] | GLOVE CATALOG

STRETCH HYBRID GLOVES

These latex and vinyl free gloves are ideal for numerous tasks. By sizing down one size this new glove will provide the user a tight, “second-skin” fit. Produced with a unique diamond pattern texture, the new Stretch Hybrid glove allows the user to fully grasp even the smallest ware in any kitchen.

STRETCH HYBRID GLOVES

Foodservice Grade*

LATEX GLOVES

Latex Gloves are tight fitting and made of the highest quality materials. Ideal for foodservice use, housekeeping, industrial cleaning and assembly areas. Our latex gloves provide a snug, comfortable fit, improving dexterity and touch sensitivity. They are also available in powder-free or lightly powdered with food grade corn starch.

⚠ **CAUTION:** These products contain natural rubber latex which may cause allergic reactions in some individuals. Users who are sensitive to latex should avoid contact and consider alternatives. If an allergic reaction occurs, discontinue use, avoid further contact with this product and consult a physician.

SOFTFIT® NITRILE GLOVES

SoftFit® Nitrile Gloves retain the best qualities of nitrile gloves, such as high flexibility and durability, while offering a barely-there fit that is closer, softer and lighter than ever. As a bonus, the Blue color of these gloves offers a unique professional look, ideal for customer facing presentation.

SOFTFIT® NITRILE GLOVES
