EXPENDABLES CATALOG

HEADWEAR

Our wide variety of headwear is available for your entire back of the house or line cook area. The chef hats demonstrate professionalism and experience; the higher the hat the more experienced the chef. Add further protection by using our entire line when full containment of hair is necessary. Our bouffant caps, hairnets and beard covers are a great option to prevent contaminating food items and help keep your kitchen safe and sanitary.

HANDGARDS®

BAMBOO PRODUCTS

Our bamboo items offer a contemporary look to an otherwise bland presentation. These bamboo options are an innovative and fun way to spice up your hors d’oeuvres, appetizers, and beverages with a stylish and modern look that’s sure to please. Restaurants today look at many avenues to enhance their menu selections and create an upscale look to their appetizers and small menu selections. This eco-friendly option will be a hit with eco-conscious customers.
